14 No Courts/Natural
If it would create additional noise, especially when in my backyard. I don’t want here kinds screaming and all kinds of other noises when I’m enjoying my day. Leaving this a land alone would be just fine, in fact, building would disrupt the desert life and animals that live there. Leaving nature be would be best.
7/25/2018 8:54 PM

15 No Courts/Natural
Do not want extra noise near my backyard associated with playgrounds or sporting activities.
7/25/2018 8:38 PM

I really would like to see a play structure added.
7/25/2018 4:04 AM

18 No Courts/Natural
Daylight use only - Trash and doggie receptacles emptied often.
7/24/2018 4:27 PM

19 Playground
We need a place for kids to run and play on jungle gym equipment.
7/24/2018 10:14 AM

20 No Courts/Natural
I live across the street from this proposed project and I feel strongly about noise. It would be great if that was taken into consideration. NO CHILDRENS PLAY AREA.
7/24/2018 6:40 AM

21 Playground
We really need a safe place for our kids and families!
7/23/2018 3:08 PM

22 No Courts/Natural
I live across the street from this "park". If any type of recreational sports courts go into this location (which is absurd given the size) I will seek legal council to review the under the table deal the City made with the developer in regards to OUR Impacting Fees paid to the City being "saved" for our community. We owned this lot before the City owned the "park" land and do not approve of any type of sports courts.

7/23/2018 11:53 AM

24 Pickleball
It would be nice to have some permanent outdoor pickleball courts. Nets and painted courts. Pickleball is pretty up-and-coming sport, and fairly active in the Las Cruces area.
7/23/2018 11:41 AM

25 Pickleball
How about a court for tennis and/or pickleball? Even if no money, how about PLANNING for one in the future and incorporating for a court in the current plans. Pickleball is popular and can bring temporary and permanent visitors. Thanks.
7/23/2018 11:21 AM

26 Pickleball
We would like a sport court—basketball, pickleball, etc.
7/23/2018 10:23 AM

27 No Courts/Natural
No sports courts, sports lighting or parking spaces, please.
7/23/2018 10:04 AM

28 Other Sport Court
Tennis courts, handball and anything fun for kids!
7/23/2018 9:39 AM

29 No Lights/NO Parking
No night-time lighting
7/23/2018 8:52 AM

30 Splash Pad/Restrooms
A splash pad similar to the metro park area would be great. There are many children in the area (mine included) who would benefit from having something more available to them rather than having to travel several miles to enjoy other ones. It would also help the kids to keep cool during the hot summer heat.
7/22/2018 7:27 PM

31 Rain water coming from Isleta Ct., Tewa Ct., and Yavapai Ct. will drain thru the park.

34 Pickleball
You are ignoring the seniors (the majority of residents in the area. We play pickleball and should have at least a court in the area. (The Sports Complex, even if funded, will take two years to build and still not be convient.) You need to be resposive to the needs of the residents. Even a single court would provide a source of recreation for young and old. This is a survey, so start listening to the people.

Water splash area for kids like downtown area.

41. NO trail head there is enough destruction going on back in the desert. Need tennis ct/pickle ct was promised 7/19/2018 11:00 AM

42. **Splash Pad/Restrooms** a bathroom would be nice. When you have young ones you never know when they need to use a bathroom. 7/18/2018 3:27 PM

43. **No Lights/NO Parking** Concerned about parking and extra traffic brought to the area. Also about pedestrian traffic and cross walks. And about park lighting at night. 7/18/2018 1:18 PM

44. Would like to see along with the walking paths also bike paths. 7/18/2018 8:53 AM

45. make sure it is not accessible to ATVs/dirt bikes 7/17/2018 8:16 PM

46. **Pickleball** Pickleball court 7/16/2018 3:44 PM

47. It would be nice to have public Charcoal grills with the picnic tables. 7/16/2018 2:38 PM

48. We absolutely must have a dog park with grassy areas 7/16/2018 1:55 PM

49. **No Lights/NO Parking** No lighting, no parking... 7/16/2018 10:48 AM

50. **No Lights/NO Parking** No lights to shine at night & no parking available, only walk or bike 7/16/2018 10:44 AM

51. **No Lights/NO Parking** Too much park space takes away from use of park for residents located to the area. It should be limited 7/16/2018 10:23 AM

52. I would like to see a xeroscaped area with desert planting and benches so that the area blends in with the current landscape. 7/16/2018 10:09 AM

53. **No Courts/Natural** No basketball hoops; no pickle ball or tennis courts. Just a park - not a recreation center. 7/16/2018 10:03 AM

54. **No Lights/NO Parking** No mercury vapor lamps 7/16/2018 8:05 AM

55. **No Lights/NO Parking** no parking 7/15/2018 8:39 PM

56. **Splash Pad/Restrooms** Parking spaces, restrooms? 7/15/2018 3:26 PM

57. **Playground** Children's play space 7/15/2018 11:15 AM

58. Need lots of places to sit, keep view of mountains unobstructed 7/15/2018 12:06 AM

59. **No Courts/Natural** For those of us who can see the area from our homes, it is EXTREMELY important that this "park" be a LOW-NOISE and ZERO-NIGHT LIGHT space. Walking paths that are landscaped with desert flora for DAY USE only is what is needed. Thank you. 7/14/2018 3:48 PM

60. **Playground** separate areas for kids/play structures away from walking paths 7/14/2018 11:26 AM

61. **No Lights/NO Parking** Its a small area. Please Do not add parking lot. 7/14/2018 10:30 AM

62. **Playground** With features for children it would be nice to have emergency communications with fire department or police. 7/14/2018 1:37 AM

64. **Splash Pad/Restrooms** Restrooms 7/13/2018 8:43 PM

78 Playground we need the city to provide something for the children, they don't allow that in our communities. it would be nice for the children to have a park to play at. 7/12/2018 7:54 PM
79 Playground Would like to see play equipment for younger ages and a water feature 7/12/2018 6:42 PM
80 No Courts/Natural I live next door to the park and I DO NOT WANT any type of sports facilities/courts!!!! A small gathering area is enough. 7/12/2018 6:18 PM
81 Pickleball Funding may not be available, but pickleball court(s) should be included in plan for future development. The sport is beneficial for the health of our residents and should be readily available in neighborhood parks. I believe single court here could prove the answer to court shortage, and prove to be economical. 7/12/2018 3:24 PM
82 Parking Lights 7/12/2018 1:35 PM
83 No Courts/Natural Just keep it as simple as possible; that is, a place to walk/sit/enjoy the view. 7/12/2018 1:11 PM
84 No Courts/Natural no lights, early closing, no motorized vehicles, no children unattended, limited parking, designated as a quiet zone 7/12/2018 12:32 PM
85 Pickleball A pickleball court or 2 would be nice 7/12/2018 12:05 PM
86 Playground Play structure WITH SHADE 7/12/2018 11:53 AM
87 No Courts/Natural A park creates an environment for noise, potential elicit activities, and additional traffic in the neighborhood. We are against using resources for this purpose. 7/12/2018 11:50 AM
88 The trail head and walking path are interesting ideas, if there is budget enough to actually maintain a legitimate trail through the area directly adjacent to the park. 7/12/2018 11:13 AM
89 No Courts/Natural If you did a traffic survey on Calle Abeulo you would discover that the major traffic is foot traffic by runners, joggers, walkers and dog walkers. The park should serve these people. The proposed park area is not large enough to serve any purpose but a foot trail head (no powered vehicles). It is too close to residences to be a picnic, play or sports venue. Noise and lighting is undesirable. 7/12/2018 8:44 AM
90 dog poop bags 7/11/2018 8:57 PM
91 Other Sport Court A basketball court/tennis court would be nice too. 7/11/2018 7:23 PM
92 No Lights/NO Parking Prefer day use only; no lighting. 7/11/2018 6:41 PM
93 zip line and other playground toys like the metro verde park 7/11/2018 6:36 PM
94 No Lights/NO Parking minimal lighting, preserve a dark sky concept. high CRI led (low color temperature) lighting if it is necessary by code/regulation to limit glare. 7/11/2018 6:22 PM
95 Splash Pad/Restrooms Please add a splash pad for the kids 7/11/2018 5:57 PM
96 Parking Good lighting 7/11/2018 5:12 PM
97 Parking Parking 7/11/2018 3:55 PM
98 Proximity to open desert and snakes / animals. Can you add a border wall? 7/11/2018 3:29 PM
99 Playground Would really like a play structure. There are no walking paths here or back in the open space, so the idea of a "trailhead" or signs for a walking path is irrelevant. Just a place for ppl to gather w/their kids and have a picnic with some shade would be extremely nice. Thanks! 7/11/2018 3:14 PM
100 Pickleball Pickleball courts 7/11/2018 2:25 PM
101 Larger 7/11/2018 2:22 PM
102 No Courts/Natural I would like it to remain as natural as possible. There is no need for a neighborhood park with playground equiment and other park features in such a small area. Maybe add some shade and create a trail leading into the desert and plant some native plants. 7/9/2018 3:26 PM
