The Las Cruces Veterans Walk Of Honor

The City of Las Cruces is pleased to offer you the opportunity to purchase personalized quarry tile brick pavers to be used in the construction of a Veterans Walk of Honor within the city's Veterans Park on Roadrunner Parkway.

Following the dedication of the Veterans Memorial Wall in November 2005, many of the county's 18,000+ veterans found themselves not listed due to having enlisted in the armed forces outside of Doña Ana County. One way to honor all veterans, regardless of where they enlisted, is to construct a brick Veterans Walk of Honor. This is a popular custom across the country.

Personalized 4" x 8" brick pavers may be purchased for \$35 each. Bricks may honor a veteran such as a father, mother, sister, brother, aunt or uncle, or a grandfather or grandmother. Bricks also may recognize a military unit, a battle or campaign, a veteran's organization, or a branch of service.

Bricks can accommodate up to three lines of type, with up to 20 characters/spaces per line. The cost of engraving is included in the price of the brick.

The \$35 cost of a brick includes the cost of shipping and handling, installation at Veterans Park, and provides for perpetual maintenance of the Veterans Walk of Honor. Bricks are ordered on a quarterly basis, 4 times a year.

For additional information, please call: (575) 541-2550
