PROFESSIONAL SERVICES AGREEMENT

THIS AGREEMENT is made and entered into as of the 18th day of February 2014 by and between the City of Las Cruces, a New Mexico municipal corporation, ("City") and Keleher & McLeod, PA ("Contractor").

The parties agree as follows:

1. PROJECT DESCRIPTION

Legal matters requiring outside counsel are assigned as needed by the City to law firms who have contracted with the City.

2. SCOPE OF SERVICES

The Contractor shall provide legal representation to the City and its public employees as set forth in its response to the City's RFP No. 13-14-365 submitted to the City on January 9, 2014. The City has the right to designate which attorney shall principally handle any specific matter. The Proposal is hereby incorporated in this Agreement to the extent its provisions are consistent with the Agreement.

The Contractor shall not undertake any representation of the City to perform any legal services for the City at the request of any City official or employee without first obtaining specific written authorization to do so from the City Attorney. Contractor shall not file any action or enter any litigation on behalf of the City without first obtaining permission to do so from the City Attorney. Before releasing any written legal opinion addressed to or affecting the City or any of its officers or employees, Contractor shall obtain the City Attorney's concurrence.

3. CASE ASSIGNMENTS

This Agreement does not constitute a grant to the Contractor of any right to handle any specific case or any specific number of cases. The City may, in its sole discretion, assign or reassign cases as it deems expedient including designation of a lead attorney on any given case.

4. STAFFING

Only one legal professional shall attend meetings, depositions and arguments unless the attendance of more is required to accomplish the purpose of the meeting and such attendance is discussed with and approved by the City Attorney in each instance where multiple attendance is requested.

Prior approval shall be obtained by the Contractor if the City is to be billed for more than ten (10) hours of a legal professional's time in any one (1) day (except during days

requiring court appearances). Prior approval shall be obtained from the City Attorney by Contractor for any research project that will take in excess of ten (10) hours. Intra office conferences are to be billed by only one (1) of the participants.

Contractor shall investigate whether it would be more cost effective for City personnel (employees, temporary employees or contractors) to perform certain tasks such as collecting and reviewing information in files, interviewing witnesses, managing documents, preparing summaries, etc. Contractor shall give consideration to whether some of the work can be performed efficiently by lawyers, clerks, paralegals or legal assistants employed by the City and whether there are other ways in which the time required of Contractor can be minimized without compromising the quality of representation.

5. COMPENSATION AND EXPENDITURES

In consideration for the services provided pursuant to Paragraph 2, "Scope of Services," the Contractor shall charge on a monthly billing basis and the City shall pay only the following charges.

a. Attorney's services shall be billed according to the hourly rates set forth in the Proposal which shall remain unchanged and shall not increase during the term of this Agreement. Attorney time must be shown in increments of six minutes (0.1 hour). Travel time is to be at no greater than one-half of the attorney's hourly rate. The Contractor affirms that rates are equivalent to the lowest rates given most favored regular clients.

6. TOTAL AMOUNTS PAYABLE

The total of all amounts payable under this Agreement shall not exceed the amount appropriated by City Council. The total amounts payable under this Agreement are a device to allow the City to monitor its costs. It is not intended that the Contractor continue to provide legal services without compensation after the limits are reached. Upon notification by the Contractor that the limits are being approached, the parties shall either amend this Agreement in writing, or the City shall employ substitute counsel to provide legal representation for any or all matters that had been referred to the Contractor for further responsibility. The City shall remain obligated to pay the Contractor pursuant to Paragraph 5, "Compensation and Expenditures" until such time as this paragraph has been amended in writing or the City has retained substitute counsel and relieved the Contractor of further responsibility.
