

Natural History Museum

- Hosts changing exhibits, live animal displays, educational programs, and events.
- Enhances the understanding of natural history, science and the environment of the Chihuahuan Desert.
- Located at the south end of the Mesilla Valley Mall.
- Guided tours are available throughout the year.
- Features major traveling exhibits from science and nature centers in the U.S.
- Houses the Chihuahuan Desert Nature Center that contains more than 40 live animals from the region.
- Museum is ADA accessible.
- In the fall of 2012, its new home will be at 411 N Main St (centrally located in the Downtown Mall).
- Will be part of an Arts/Cultural complex including Branigan Cultural Center and Museum of Art.
- 8,900 square feet of exhibits and classroom space.
- Renewable Energy Technology will be on display.
- Will be known as Las Cruces Museum of Nature and Science.
