

Thank You for Volunteering / Donating Your Time

We as the City Council thank all the volunteers who contributed a total of 280 hours during the City's Volunteer Fair April 8, 2017. We recognize that you expended a great deal of personal effort during this event and through the year on activities in which you participate that support the City's mission and goals.

To thank you adequately is impossible. You spend long hours on various projects, sacrificing your personal time for the greater good of our community. We appreciate your invaluable expertise and skills that brought important contacts into the City's network for mutual benefit.

Please know that through your efforts you have made the city and community of Las Cruces a better place to live and work.

Thank you sincerely for all your wholehearted assistance.

Sincerely,

 Mayor
