

ATTENTION

In an effort to continue improving the timeliness of the buses, we will be making the following adjustments to routes 10 and 90.

Beginning Wednesday February 4, 2009

Route 10- From the Amador CTP the bus will follow the normal route to the Venus Transfer Point connecting with Route 90. From there the bus will travel on Northrise Dr to Sonoma Ranch Blvd, then turn left and connect with the frontage road. The bus will continue to Porter Road. There will be a bus stop located on the frontage road just before Porter Road. The bus will make a left turn at Porter Road and travel back to the Venus Transfer Point once again connecting with Route 90. Then the bus will travel back to the CTP Amador.

Route 90- From the MVM the bus will follow the normal route to the Venus Transfer Point connecting with Route 10. From there the bus will travel south on Telshor to the MVM. The bus will leave the MVM and travel north on Telshor to the Venus Transfer Point connecting with Route 10. From there the bus will travel on Northrise to Roadrunner and make a right turn onto Roadrunner. The bus will continue on Roadrunner to Foothills where it will make a right turn onto Foothills and travel to the MVM.
