Regarding the

### Valley Drive (NM 188 and NM 28) Alignment Study

Project and Control # LC00160

**Date/Time:** Tuesday, May 23, 2017  
**Time:** 6:00-7:30 PM  
**Location:** McArthur Elementary School  
655 4<sup>th</sup> Street Las Cruces, NM 88005

#### Public Meeting Purpose:

The New Mexico Department of Transportation (NMDOT) is sponsoring a public information meeting to provide information and obtain input on possible improvements along Valley Drive (NM 188), from Avenida de Mesilla (NM 28) to Picacho Avenue (US 70), and along Avenida de Mesilla from Hickory Loop to Valley Drive. The project is intended to provide capacity for through traffic, to maintain access and circulation for local businesses and property owners, to enhance bicycle and pedestrian travel, and to improve drainage in the area. An update on design concepts will be provided at the meeting. Residents, landowners, and all interested parties are encouraged to participate in the meeting and provide comments, concerns, and suggestions regarding the project.

#### Meeting Overview

The meeting will consist of three segments; a 30-minute open house to review plans and discuss the project with study team members, a 15-minute presentation to describe the project, and a 45-minute question and answer period. Project design team members will be present to describe the project, answer questions, and receive public input. Comments will be accepted on the proposed project design as well as bicycle, pedestrian, equestrian, and cultural resource issues.

The public can submit questions or comments about the project during the meeting or after the meeting by mail or email. Comments may be sent to John Taschek, Ecosphere Environmental Services at 1660 Old Pecos Trail, Suite H, Santa Fe, NM 87505 or emailed to [jtaschek@ecosphere-services.com](mailto:jtaschek@ecosphere-services.com). Comments are requested by June 9, 2017.
