Sec. 1.02. Construction.

Sec. 1.03. Additional powers of the city.

(a) The power of the city to legislate is permissive and not mandatory. If the city does not legislate, it may, nevertheless, act in the manner provided by law. In this respect it shall possess all powers granted to municipal corporations by the Constitution and statutes of New Mexico and not contrary to the provisions of this Charter.

(b) The city shall have such other powers as are consistent with the Constitution of the State of New Mexico and with this Charter.

(c) The city may exercise its power of eminent domain to condemn private property, real and personal, which is employed for a public purpose where by resolution the city council determines that such condemnation will serve the public interest.

(Ord. No. 1083, 7-3-89)

Sec. 1.04. Boundaries.

The boundaries as now established or as hereinafter established for the City of Las Cruces shall be the boundaries of the city.

Sec. 1.05. Limitation on powers.

(a) Limitation on private and civil laws and on penalties. The grant of powers herein shall not include the power to enact private or civil laws governing civil relationships except as incident to the exercise of an independent municipal power, nor shall it include the power to provide for a penalty greater than the penalty provided for a petty misdemeanor. The council may not impose any tax unless authorized to do so by the State of New Mexico.

Sec. 1.05.

(b) Limitation on credit and donations. The City of Las Cruces, except as otherwise provided in the New Mexico Constitution, shall not directly or indirectly lend or pledge its credit or make any donation to or in aid of any person, association or public or private corporation. ARTICLE V. FINANCIAL PROCEDURES

Sec. 5.01. Fiscal year.

The fiscal year of the city shall begin on the first day of July and end on the last day of June of the following year.

Sec. 5.02. Submission of budget and budget message.

At least sixty (60) days prior to the start of the fiscal year, the city manager shall submit a budget and budget message to the council for the ensuing fiscal year.

Sec. 5.03. Budget message.

The city manager's message shall explain the budget both in fiscal terms and in terms of work programs. It shall outline the proposed financial policies of the city for the ensuing fiscal year and describe the important features of the budget. It shall indicate any major changes from the current year in financial policies, expenditures, and revenues together with the reasons for such changes. The budget message shall summarize the city's debt position and include any other material the city manager deems desirable.

Sec. 5.04. Budget.

(a) The budget shall provide a complete financial plan of all city funds and activities for the ensuing year. Except as required by law or this Charter, it will be in a form the city manager deems desirable or the council may require. In organizing the budget, the city manager shall utilize the most feasible combination of expenditure classification by fund, organization unit, program, purpose or activity, and object. The budget shall begin with a clear general summary of its contents. It shall show in detail all estimated income, indicating the estimated property tax levy, estimated tax revenues, and all proposed expenditures. It shall be arranged to show comparative figures for actual and estimated income and expenditures of the current fiscal year. It shall also show actual income and expenditures of the preceding fiscal year to date and estimated income and expenditures for the remaining months of the fiscal year. It shall include the following:

- (1) Proposed expenditures for current operations during the ensuing fiscal year. Although not required as a part of the budget, a detailed statement by offices, departments and agencies in terms of their respective work programs, levels of service, and the method of financing such expenditures shall be available to the council;
- (2) Proposed capital expenditures during the ensuing fiscal year, detailed by offices, departments and agencies when practicable, and the proposed method of financing each capital expenditure; and

Sec. 5.04.

(3) Anticipated reserves for the ensuing fiscal year of each enterprise owned by the city and the proposed method of the disposition of those reserves. Subsidiary budgets for each enterprise giving detailed income and expenditure information shall be attached as appendices to the budget.

(b) The total of proposed expenditures for a year shall not exceed the total of estimated resources for that year.

(c) For the purposes of this article, resources shall be defined as unappropriated balance plus current projected revenues.

Sec. 5.05. Capital improvements program.

Each year the city manager shall prepare and submit to the council prior to the final date for submission of the budget a proposed five (5) year capital improvements program.

Sec. 5.06. Council action on budget and capital improvements program.

(a) Notice and hearing. The council shall publish in one or more newspapers of general circulation in the city the general summary of the budget and capital improvements program and a notice stating:

(1) The times and places where copies of the message and budget are available for inspection by the public; and

(2) The time and place for a public hearing on the budget. The hearing shall occur not less than fourteen (14) days after such publication.

(b) Amendment before adoption. After the public hearing, the council may adopt the budget and capital improvements program with or without amendment. In amending the budget and/or capital improvements program, the council may add or increase programs or amounts and may delete or decrease any programs or amounts, except for expenditures required by law, for debt service or for estimated cash deficit. No amendment to the budget or capital improvements program shall increase the authorized expenditures to an amount greater than the total of estimated resources available during the fiscal year.

(c) Adoption. The council shall adopt the budget no later than thirty (30) days before the beginning of the fiscal year. If it fails to adopt the budget by the beginning of the fiscal year, the amounts appropriated for current operation for the current fiscal year shall be deemed adopted for the ensuing fiscal year on a month-to-month basis, with all items in it prorated accordingly, until the council adopts a budget. Nothing herein, however, shall preclude the city from meeting its debt service when due. Adoption of the budget shall constitute

Sec. 5.06.

appropriations of the amounts specified therein as expenditures from the funds indicated. The budget and the capital improvements program shall be acted upon separately by the council.

Sec. 5.07. Public records.

The adopted budget and capital improvements program shall be public record, and copies thereof shall be made available at suitable places in the city for inspection or purchase at a reasonable price.

Sec. 5.08. Amendments after adoption.

(a) Supplemental appropriations and reduction of appropriations. If during the fiscal year the city manager certifies that resources are available for appropriation in excess of those estimated in the budget, the council may make supplemental appropriations for the year up to the amount of the excess. If at any time during the fiscal year, the city manager believes that the resources available may be insufficient to meet the amount appropriated, the city manager shall so report to the council. The report shall indicate the estimated amount of the deficit, any remedial action taken or to be taken by the city manager, and recommendations as to any other steps to be taken. The council shall then take any action deemed necessary to prevent any deficit, and for that purpose it may reduce any appropriation.

(b) Transfer of appropriations. At any time during the fiscal year the city manager may transfer part or all of any unencumbered appropriated balance within a fund among programs within an organizational unit of the city. Upon written request by the city manager, the council may transfer part or all of any unencumbered appropriated balance from one organizational unit to another. A petition certified insufficient for lack of the required number of valid signatures may be amended once if the petitioner files a notice of intention to amend within fifteen (15) days of the date on which the city clerk's letter was mailed to the petitioner. Notwithstanding the provisions in 10.01 of this article, all by-laws, ordinances and resolutions in force in the city before the adoption of this Charter shall remain in full force and effect until amended or repealed by the council.
