

# City of Las Cruces Fire Department

July 1, 2015

To whom it may concern,

This letter is to inform you that the Insurance Services Office, Inc. (ISO) recently performed a Public Protection Classification (PPC) survey for the City of Las Cruces. Effective July 1, 2015, the City's PPC will change to a 01/1X rating. The split rating of 1X applies to structures which are more than 1000 feet from a fire hydrant.

Please use the updated PPC rating when calculating insurance rates within the City of Las Cruces.

Feel free to contact the Las Cruces Fire department at 575-528-3473 if you require additional information or assistance.

Respectfully,

A handwritten signature in black ink that reads 'Travis A. Brown'.
