

Tree Steward Volunteer Application

Program description: Las Cruces Tree Stewards, started in 2012, is dedicated to the recruitment and training of community volunteers to be advocates for the community forest. Over the course of 8 weeks, volunteers receive 32 hours of training from experts on tree care, planting methods, pruning, tree identification and much more. In exchange for training, volunteers are asked to commit 40 hours of volunteer service over the next twelve months.

Tree Stewards may volunteer by:

- Planting trees in public spaces
- Educational opportunities such as Arbor Day, school tree plantings, etc.
- Maintenance of trees in parks or public spaces
- Advocate for trees in our community

Join the ranks of Tree Stewards who have made the commitment to grow and promote our community forest.
