4.3. DRC Interpretation Of Meaning Of Chapter 32, Article II, Standards For Public Rights Of Way, For The Installation Of Street Lights Associated With Caroline George Replat No. 3

- The Caroline George Replat No. 3 is adjacent to Northrise Drive, a principal arterial lacking street lights on the south side of the ROW.
- Sec. 32-36 - City Streets
 - (b) When improvements are required on streets adjacent to a subdivision or property boundaries as indicated by street classification, as determined by the MPO transportation plan, transportation element of the comprehensive plan and/or the development review committee, the subdivider shall provide the following street improvements or pay for the cost of these improvements to the city.
 - Major arterial- requires 1/2 street section
- Northrise is constructed, but non conforming in terms of the required lighting adjacent to the property and, based on staff's interpretation, lighting improvements are required as part of the subdivision.
- Souder Miller and Associates disagrees with staff interpretation and is requesting that DRC make a formal interpretation regarding the need for street lighting per Sec. 32-5 - (d) Interpretation of meaning. The development review committee shall interpret the meaning of the sections of this chapter. Disagreement with an interpretation may be appealed to the board of adjustment, formerly known as the code enforcement board of appeals, and the board's decision may be appealed to the city council.
